Ashburton and Mid Canterbury's Community Directory

Welcome Community House Mid Canterbury's Community Directory.

The directory lists a wide range of community groups and organisations throughout the area.

Please help us to keep this directory as up to date as possible by letting us know of any changes to your group or organisation's contact details by contacting Community House on 308 1237 or email reception@communityhousemc.co.nz.

A continually updated version of the Community Directory is available on the Community House Mid Canterbury website

www.communityhousemc.co.nz.

This directory has been developed with assistance from a range of community groups and organisations. In particular we would like to thank:

- The Mid and South Canterbury Charitable Trust Inc. for their grant funding to Community House Mid Canterbury for this project.
- Presbyterian Support – Ashburton for providing their 2005 Community Directory to be used as the base document for this Directory.

The Community Directory relies on input from the community. While every effort has been made to ensure the listings are accurate, we accept no responsibility for consequences arising from any errors.
